CTSR Trek

June 21-27, 2026 & July 5-11, 2026

\$425 per scout (Early Bird Price, register by 4/1/26)

The CTSR Trek Program offers 5 days of diverse adventures including: biking, kayaking, hiking, horseback riding, and ATV riding. Participants will leave CTSR after breakfast on Monday morning and return on Thursday for dinner. The program is open to Scouts BSA, Venturing Crews, and Sea Scouts.

Basecamp will be set up in the historical Oil Creek State Park. The park consists of a 7,243-acre tract of land preserves and 12 miles of winding gorge created approximately 10,000 years ago by the draining of an ice-dammed glacial lake. This area is also rich in the history of our own CTSR. Upper Drake and Lower Drake Campsites are named for Edwin Drake, who discovered oil in the valley on August 22, 1859. Throughout the park, there are many opportunities to see remnants of the region's rich oil history. While on the TREK you will stay at Wildcat Hollow, "The Wickedest Hollow East of the Mississippi," which was popular among my 'wildcatters' of the 1860s. Highlights of the week include a tour of Drake's Well Museum, and earning a horsemanship merit badge.

Prerequisites for TREK:

- Scouts must be 14 years of age or older
- 2nd Class Rank or equivalent
- Swimmer
- Must complete online ATV ESafety Course

Itinerary:

Base Camp- Wildcat Hollow Oil Creek State Park Cherrytree, PA

Sunday- CTSR Check In, TREK Shakedown, Opening Campfire

Monday- 10 Mile Bike Ride

Tuesday- Kayaking Oil Creek.

Wednesday- Hike approximately 6 miles. Then Tour Drakes Well

Thursday- Horseback Riding and Horsemanship Merit Badge at VAHRA in Franklin PA

Friday- At Custaloga Town for ATV Day and closing campfire.
